

Schedule of Voluntary Contributions and Charges 2026

Dear Parents/Caregivers,

Mount Claremont Primary School Board has endorsed our schedule of Contributions and Charges for 2026. The schedule is broken into three sections to allow you to calculate all costs that may be incurred throughout the school year.

School Voluntary Contribution

The total amount of the School's Voluntary Contribution is set at \$60 per student, which is in line with the School Education Regulation 2000.

Money collected will be used to supplement school expenditure in the curriculum learning areas. While the contributions are voluntary, the quality of our teaching and learning program will be maximised when each family makes its contribution to the cost of supplementing funding received from the State and Federal Government. Your contribution is vital and will be used to supplement school funding for the purchase of resources needed in the provision of the learning program activities. The table below gives you the breakdown of where we will direct your voluntary contribution.

Learning Areas	
The Arts-Music/Art	\$10
English	\$10
Mathematics	\$10
Humanities & Social Sciences	\$5
Science	\$10
Physical Education/Health	\$10
Design and Technology	\$5
Charges	\$60

P&C Family Voluntary Payment

Each year the P&C request a contribution from families. This assists with providing improved facilities for the students at Mount Claremont Primary School. The fees for 2025 are tabled below. Your generosity will be appreciated.

P&C Family Voluntary Payment	
1 Child at school	\$40
2 Children at school	\$60
3+Children	\$80

Student Personal Booklist and Stationery

The school negotiates competitive prices and levels of service with suppliers before allocating the contract to provide personal use items for the school year. Campion has been awarded the 2026 contract. Note, while the school receives a commission on the sales through the supplier, parents may purchase these items from any supplier. (*Voluntary Contributions have been removed from the School Booklist and are to be paid on the Term Statement*)

Charges

A breakdown of estimated charges for your child's participation in excursions, incursions, activities for 2026 have been included in the table attached (Page 3). Details on charges collected in previous years has helped guide the 2026 estimate of charges. The amounts shown represent the maximum that can be charged for activities in 2026.

Additional Charges

Additional charges are optional as participation is optional. Not all children will be selected in these activities, but the school is providing a guideline of expenses if your child/children do participate.

Payment Details/Options

Term statements will be issued at the beginning of each term. You can pay credit of \$200 at the beginning of the year and funds will be deducted as your child/children participate in excursions/incursions or activities. (*Your child will not be charged if they do not attend, and Voluntary Charges will not be taken from these amounts unless advised to do so*)

Any unused money can be;

- Credit rolled into the child/children's account for the following year
- Transferred to a sibling
- Refunded

Payments can be made via direct deposit into the Mount Claremont Primary School bank account: -
