## WHAT WE DO

The P&C is a volunteer group of parents, carers and community members who exist to make this school better. We raise funds, we run events, and we make sure every dollar goes directly back to the students, teachers and families of our school community.

## DID YOU KNOW

The money raised through our fundraising activities doesn't just go to big projects; it supports classrooms and families every single term. Here's a spotlight on some funds available right now

### CLASSROOM FUND

Every classroom is provided with a discretionary fund to use as needed. From art supplies to learning resources, our classroom fund exists to fill the gaps the school budget can't always cover.

### HARDSHIP FUND

The P&C offers a confidential hardship fund for families who need assistance with school-related costs. Applications are made directly through the school.
